

# JENNY BUCKS

**09/04/07**

**Greetings from C-bus:**

## **YSU GAME AWARDS**

\* Receiver Brian Robiskie is the offensive player of the week after catching nine passes for 153 yards.

\* Linebacker James Laurinaitis (seven tackles) was selected defensive player of the week.

\* Kicker Ryan Pretorius is the player of the week on the special units. He was 5 for 5 on PATs and kicked a 24-yard field goal. Pretorius also averaged 64 yards on seven kickoffs. Given the new 30-yard line placement, the length of those kickoffs will be the key to a team getting the start on the 20 vs. many games that I saw where the opponent was starting on the 30-35 yard line.

\* Scout team champions are Joe Bauserman (offense), Ryan Lukens (defense) and Dan Herron (special units).

\* The "Attack Force" award went to defensive tackle Dexter Larimore.

Lawrence Wilson went down with a broken leg in the game on what might have been the most critical defensive play of the season. He will miss <at least> 6-8 weeks.
