

JENNY BUCKS

09/07/07

Greetings from C-bus:

Just a quick couple of notes for tomorrow's game ...

Marcus Freeman has been named as the second defensive captain for tomorrow's game ... the 2nd defensive captain will be named on a game-by-game basis.

Tomorrow's Honorary Captain is Butch Reynolds.

Calling the game for the Big Ten Network (that nobody in Columbus will see) will be Thom Brennaman who has called all the upsets ... first the Debacle in the Desert (OSU-FL), then last week's App St win over the school up north and now ... yes ... he's assigned to OSU-Akron. Let's break the string ...

And finally to add insult to injury, the weather is supposed to be rainy for tomorrow. The remnants of Hurricane Henriette are targeting central Ohio for tomorrow, game time ...

GO BUCKS from JennyBucks!
