# The Ohio State Alumni Club of Greater Kansas City

*...SHOW THEM OHIO'S HERE!*

**OUR MISSION:** Ohio State Alumni Clubs exist to promote our university... through communications and community relations; through student recruitment; through fellowship and networking.

## PREZ SEZ

### **BUILDING ON THE PAST YEAR**

The past year was a one of growth and increased involvement of alumni and friends of Ohio State in the Greater Kansas City Alumni Club. Membership reaching 206 from 130 the previous year plus a tremendous growth in attendance

at the football game watches marked a really successful year. The game results did hit a couple of speed bumps however.

Another highlight of the year was the Spring Dinner where Dr Jon Woods as our speaker. We established a our first service project by committing to clean up a section of Highway 69 between I 435 and College 3 times a year.

As we begin this New Year, we need to build on our past success. Here are some of the things happening. The membership goal for this year is 227 in 2007. We will be providing name tags for two members of each family with your membership. Old Chicago is upgrading some of the televisions and the projector. Special events planned include a golf tournament (need to control the weather better this time), wine tasting, a spring dinner looking to obtain another outstanding speaker from the University.

We are also discussing having other family events to carry us through the winter. If you have ideas of events you would like just let us know.

It is my belief that Ohio State fans are special people who like be with other Ohio State people. Almost weekly I am contacted by a Buckeye new to the area who wants to know where the Buckeyes get together.

So if you are not already a member, join now. Remember that we have two categories of membership alumni and friends. Your extra support for the scholarship fund would be greatly appreciated. Keep in touch with what's happening from our web site [www.kcbucks.org](http://www.kcbucks.org).

## **2007 - A CALENDAR FULL OF EVENTS**

This past year has been a great one as we established a stretch objective for membership and watched our club grow to meet our goal of 206 memberships! Now we look forward to some rewarding activities that our members can enjoy, even beyond the exciting game watches. The September 29<sup>th</sup> Minnesota game is the club's away game trip for this coming season; we will have more information

about that out soon and hope to have a nice group make that trip.

Our golf tournament that was rained out in May has been rescheduled for October 28<sup>th</sup>; it will be at Dub's Dread golf course. The tournament is always a lot of fun, so please join us then. Other events to look forward to, our annual wine tasting will be on November 14<sup>th</sup>. Last year, as in other years, we had a nice turnout and learned a lot about wine. This year we will have Andy back from Rimann's Liquor to teach us about the wines and to make them available for our

purchase at a discount. We are looking forward also to our annual spring event. The date for the dinner is not firm yet, but is expected to be in May again.

These events are part of the many activities that your alumni club provides for our enjoyment and camaraderie. Take advantage of them let's have another great year!"

## GAME DAY WATCH PARTIES

Game Day Watch Parties in 2006 set new Ohio State Alumni Club of Kansas City standards in fun, excitement, and attendance. Turnouts in excess of 100 were the norm while crowds exceeded 200 on three occasions and twice topped 300!

2007 promises to be every bit as exciting at Old Chicago and we are looking forward to seeing as each of you throughout the season. Once again we will be raffling tickets to Ohio State home football games, hosting pregame tailgate parties, and featuring the Ohio Horns (David Lab and George Wood)

So make plans to come on out and spend your Saturdays with us at Old Chicago this fall and join us as we all cheer the Buckeyes on to another Big Ten Championship!

## HOW ABOUT A BON FIRE?

We are looking into the possibility of holding a bon fire, likely for the evening before this year's Michigan game. However, there's just one minor problem at this time; finding a location.

If you know of a place where we can have a bon fire or have any other suggestions to help make this a great event for our club, contact Paul Dulac at [paul@kcbucks.org](mailto:paul@kcbucks.org).

## PT MC NEEDED

If you think you would be interested in being the MC at some of the game day watch parties this year, please email Paul Dulac at [paul@kcbucks.org](mailto:paul@kcbucks.org).

The first game that we will need an alternate MC will be for the September 29<sup>th</sup> game against Minnesota

## 2007 MEMBERSHIP DRIVE

Once again the Ohio State Alumni Club of Greater Kansas City is looking to you to help us reach a new goal of 227 memberships in 2007. To promote early memberships we will be giving free tee shirts to the first 100 memberships courtesy of Old Chicago!

A frequent comment from last year's survey was that we consider name tags for our members as our game day crowds continue to grow so now your membership will include 2 membership name tags to wear at Club events.

Memberships are only \$20 per family and help support our scholarship fund. Additionally your membership lets you participate in club events at reduced prices and allows you to be eligible to win football tickets to Ohio State home games. To join, please complete and mail the form at the top of Page 5.

## BIG TEN NETWORK

The Big Ten Network, scheduled to launch on August 30<sup>th</sup>, is a joint venture between the Big Ten Conference and Fox Cable Networks designed to give greater exposure to Big Ten schools. Programming will include more than 35 football games including Ohio State's first two games of the season, and at least 105 men's and 55 women's basketball games this

year. Other programming will include historic footage and games; coaches' shows; and up to 60 hours per year of original programming from each of the Big Ten institutions.

While the Big Ten Network will be available to all cable providers across the nation, there are no plans for any of the local companies to carry it. For more information and what you can do to get your local cable provider to carry the Big Ten Network, visit them on the web at [www.bigtennetwork.com](http://www.bigtennetwork.com).

## SCHOLARSHIP OPPORTUNITIES

The Ohio State University Alumni Scholars Program (ASP) is intended to provide recognition and financial assistance to outstanding incoming freshman. The Ohio State University Alumni Association coordinates the program, with the support of the Ohio State Alumni Club of Greater Kansas City, the offices of Admissions and Financial Aid, and the Office of University Development. This year we will offer another Alumni Scholarship award. It is a \$2,500 merit-based scholarship. The standards of selection for this award are:

- Ranking in the top 25% of your high school graduating class
- Demonstrating involvement in school and community activities
- Showing a sound interest and positive attitude toward college work

## COLLEGE FAIRS

Show your Ohio State pride and share your experiences with prospective students and their parents at area college fairs! Volunteer with fellow OSU Alumni Club of Greater KC members for one or more of this year's area college fairs. For more information or to volunteer at a college fair event contact Todd Bell at [todd.bell@mail.sprint.com](mailto:todd.bell@mail.sprint.com).

## COLLEGE TRADITIONS REBATES OUR CLUB!

\$20 per household club dues, season ticket and miscellaneous raffles and club events fuels the club coffers. As a non-profit organization, our main focus is in generating profits to fund scholarships.

In addition to your on-time payment of dues, and participation in club events, you can help keep our scholarship program going through your generous gifts and by shopping! Yes, shopping can help the cause and keep you in scarlet and gray far away from campus.

Your purchases at COLLEGE TRADITIONS have a direct benefit to our club. 15% of your purchase is rebated to our group account. So next time, whether in person, on the phone or online – you MUST indicate our group account: KC Alumni Club #AL9504 for us to get the credit.

Keep on wearing the scarlet & gray proudly... and consider College Traditions when you make a purchase!

### BUCKEYE SPORTSMANSHIP CREED

On game days, we come down with scarlet fever.  
We sing the fight song loud and proud.  
We believe every O-H deserves an I-O.  
We support all of our athletes and teams.

We follow the "scarlet rules."  
We treat our guests as we wish to be treated.  
We cheer for a good play and respect the other team.  
We're gracious in victory and defeat.

**Athletics brings out the best in all of us.**

When the dust has cleared...  
And the final whistle has blown,  
The spirit is maintained...  
The pride is there...  
With or without the victory bell,  
Ohio State has the...

## INTERESTED IN SERVING?

We are always looking for individuals with a lot of energy and fresh ideas who are interested in serving on the board. If this sounds like you and you would like to share your talents please email [peype@stjoeline.com](mailto:peype@stjoeline.com).

## NEXT ADOPT-A-HIGHWAY CLEANUP SUNDAY, OCTOBER 21<sup>st</sup> 2007

Make plans to join us for our next roadside cleanup on Sunday, October 21<sup>st</sup> at 10:00. We will be meeting at Old Chicago at 10:00 then heading out for about an hour and a half to pick up debris on Highway 69 between College and 435

Afterwards it's back to Old Chicago for a complimentary Pizza Party, some NFL action and of course to relive the excitement of Ohio State's victory of Michigan State the day before! For more details email Gayle Packer at [mpacker3@kc.rr.com](mailto:mpacker3@kc.rr.com).

## KCBUCKS EMAIL DISTRIBUTION LIST WE PROMISE TO CUT WAY BACK THIS YEAR ☺

One of the criticisms commonly cited in last year's survey was that we were sending too many emails each week. We have heard you and will do our best to limit emails now to just one or two per week. I guess we just got a little excited last season!

If you are not currently receiving weekly emails from the Ohio State Alumni Club and would like to start receiving them, email your request to [paul@kcbucks.org](mailto:paul@kcbucks.org). You will then receive an invitation within a day or two from YahooGroups® to join.

Remember that your email address will never be used for marketing purposes. We respect your desire to protect your email address and will not release or reuse it without your consent.

## JENNY BUCKS

### GREETINGS FROM C-BUS!

Well, I'm back. It's been a busy spring and summer in the JennyBucks household but as the Buckeyes got into pads for the first time this weekend, I got a chance to catch-up and get a few thoughts down as we move into two-a-days tomorrow.

First, this is going to be a season where much is expected of the defense and expectations of the offense will be dampened by a horse-race at the QB position. The defense brings back a number of leaders and guys who might call it a career after their junior season: James Laurinaitis and Malcolm Jenkins stand out to me. Laurinaitis has already garnered some of the post-season hardware after just his sophomore season and, as Chris Spielman said the other day on his noon-day show, he's got great talent.

All he needs to do is to play with that intensity for every play. Much is expected of Malcolm Jenkins - he's got speed, size and has proven his ability to play the big-time receivers - Limas Sweed comes to mind as a perfect example. Both are leaders on the defense this year. An incoming freshman turning heads at corner is Eugene Clifford. Look for him to see the

field this season.

A question mark is the D-line where the 3 P's - Penton, Pitcock and Patterson are gone. Incoming D-linemen include Todd Denlinger, RS Soph who saw time during Patterson's injury last season and RS Freshman Dexter Larrimore and Doug Worthington both on the inside. Worthington moved from the D End position to play inside this season. RS Freshman Robert Rose will be used like Darion Scott and Kenny Peterson was - both inside and outside. He's got great speed, as do many of the Glenville connection.

What you will notice is that they are smaller than their departed 3 P's, all at under 300 lbs. The outside D-ends are solidly set with Vernon Gholston and Lawrence Wilson with Rose and Alex Barrow in the mix. The D-ends are a bit larger at near 300 lbs. Also in the mix is Nader Abdallah. Much was expected of Abdallah but with a 330 playing weight last season, he was just flat-out fat. He's down to 295 coming into this season, following a sensible menu, cutting out fats and super-sized meals.

As a senior, Abdallah's desire to see more of the field prompted the change and Coach Heacock sees vast improvement.

Also in the mix on offense will be Anderson Russell at one of the safety spots. If you will recall, Russell went down with a season-ending knee injury at Iowa last season but he didn't lose his starting position. He was held out of spring drills but has come back strong. Vying for the other S position will be Jamario O'Neal, Kurt Coleman, and Nick Patterson. Much has been said by the players of Coleman this fall, making me think that he's making plays and standing out amongst the three.

On offense, it's all about the QB race. I would think it's Boeckman's to lose, however it has been said that Todd is not taking advantage of the opportunity to put space between him and the young comers. It sounds a bit like young Rob Schoenhoft (wearing 11 this season) is pushing Todd hard as is the 23-year old Baserman and don't count out the young Troy Smith-like Antonio Henton. My guess is that Henton as the true youngster might be a year away. And certainly the receiver

corps was decimated by the NFL draft however, never fear. Brian Robiske is now the young leader (junior) amongst a group of very talented young men. Don't forget about Devon Lyons who saw some of the field last season at one of the wides.

Robo got schooled for 2 years by Gonzo and I'd expect Robo to step up and lead the young corps. There appears to be quite a competition for the flanker position between Ray Small, Brian Hartline, Albert Dukes and true freshman Taurian Washington. Small went off with a bum ankle after Saturday's scrimmage though it is thought to be minor at this point.

The Bucks are said to favor a 2-back set for this season with a probable Wells-Wells backfield (Beanie and Mo) and some use of the fullbacks in the set including Pepper's son, Dionte Johnson as the upperclassman in the mix. Beanie left the Saturday scrimmage with a shoulder stinger. Just goes to show how much the guys were looking forward to putting the pads on in my mind. Also look for the coaches to find a spot for true freshman burner Brandon Saine in the RB mix or maybe as a returner. The O-line will be anchored by Rehring, Boone and Barton - all returning starters (or part time starters).

Besides the QB race, the other item turning heads in C-bus is the new Big Ten Network. None of the C-bus cable stations have stepped up to the steep rate the Big Ten wants making it unlikely (at this point) that the September 1 YSU game will be on local TVs (you can get Big Ten Network on the Dish). That being said, Commissioner Delaney et. al. have been in C-bus now several times trying to reach a deal. The issue is the \$1.10 per subscriber rate that gives you 12-months of access to the network whereas the interest in the network will likely wane in the spring after basketball season ends. Not a lot of desire to watch the always successful Buckeye baseball or other spring sports frankly. The network is also supposed to supplement programming with classroom lectures even! Ugh.

Im back! Can't wait for the season to get underway....
